\* The day of activation is the first day of the minimum commitment period. This first period will be 11 months plus a prorated of days in the month the service is activated. The annual fee and in bundle volume will be prorated. Thereafter renewals will be periods of 12-months, based on the 1st of the month of the original month of activation.

Example:

Activation on 11th April 2026

First annual period starts on 11th April 2026, ends on 31st March 2027

Next annual period starts on 1st April 2027, ends on 31st March 2028

\*\* Call to any Iridium phone no. via +1 480 768 2500 (US fixed)

Billing increment Voice: 20 / 20 seconds  
Billing increment Data (all other plans): 1,000 / 100 B  
IMT (Iridium Messaging Transport): 500 / 1 B  
(1 MB = 1,000 kB = 1,000,000 Byte)

The minimum commitment restarts when the tariff plan is changed. There will be no pro rated refund of the previous contract. There is no rollover to the next year of unused in bundle data.

Activation will require both the IMEI of the device and the SIM ID of the SIM card. SIMs cannot be moved between terminals.

It is not possible to activate several SIM cards for one device at the same time.

3 separate telephone lines are provided, each with its own telephone number
