

# INREACH® MINI 3 PLUS

## COMPACT SOS SATELLITE COMMUNICATOR

## PRODUCT OVERVIEW

Stay connected off the grid with the **inReach Mini 3 Plus**, the lightweight SOS satellite communicator with vivid colour touchscreen display. With an active satellite subscription, keep in touch beyond mobile service with two-way texting, LiveTrack™ location sharing — and explore with peace of mind knowing you can trigger an interactive SOS message to Garmin Response™, our 24/7-staffed international emergency coordination centre. inReach Mini 3 Plus adds new ways to share your adventure with friends and family. Use the device to easily send and receive voice messages. Also, pair the device with your compatible smartphone using the Garmin Messenger app to exchange photos. The inReach Mini 3 Plus device has been rigorously tested for durability and designed to operate in extreme temperatures and rugged outdoor environments. The powerful built-in antenna effortlessly acquires satellites to continually update and share your GPS position so adventure seekers can explore with confidence. Plus, the global Iridium® satellite network keeps you connected well beyond the limitations of mobile phone coverage.

# INREACH® MINI 3 PLUS

## COMPACT SOS SATELLITE COMMUNICATOR

## KEY FEATURES

### TOUCHSCREEN TEXT MESSAGING

NEW

Use the keyboard on the touchscreen display to exchange text messages directly on the device. Or connect your compatible smartphone to the Garmin Messenger app and exchange text messages, send emojis and reactions, or start a group chat.

### EXCHANGE VOICE MESSAGES

NEW

Use the built-in speaker and microphone on the inReach Mini 3 Plus device to send and receive 30-second voice messages, no mobile coverage needed. You can also read transcribed voice messages on the colour display.

### EMERGENCY SOS MESSAGING

Explore with peace of mind knowing you can send an interactive SOS message with your GPS coordinates to Garmin Response, our 24/7-staffed International coordination centre for help in an emergency. And, instead of relying on tower-based mobile phone coverage, your messages are sent via the 100% global Iridium® satellite network.

### SHARE PHOTOS

NEW

Share photos of your adventures when you pair the inReach Mini 3 Plus device with your compatible smartphone using the Garmin Messenger app. You can also view received photos right on your device's colour display.

### STAY ON TRACK

Use the Garmin Explore mobile app to enhance your experience; plan your trip and follow your course to your destination and back.

### LIVETRACK™ SHARING

NEW

With an active inReach satellite subscription you can easily let friends or family follow your location while you're on the move; no need to point your device directly toward the sky to find satellites. They can see your progress, including distance, time and elevation.

## COMPACT SOS SATELLITE COMMUNICATOR

## KEY FEATURES CONTINUED

### COLOR DISPLAY

NEW

Tap and swipe through menus on the intuitive color touchscreen display.

### RUGGED DESIGN

NEW

Made to operate in extreme temperatures, this device is tough, durable, impact-resistant and [water-rated to IPX67](#).

### VOICE CONTROL

NEW

Use voice commands on inReach Mini 3 Plus to conveniently handle many tasks, including check-ins, start tracking and more. Available in English, German, Italian, Spanish, French, Dutch, Swedish and Danish.

### GARMIN SHARE

NEW

Easily share saved locations and courses with friends' compatible Garmin devices.

### BUILT- IN SIREN

NEW

A loud built-in siren on inReach Mini 3 Plus can help draw attention if you are in need.

### CHECK- IN MESSAGES

Send simple check-in messages that do not count toward your allotted text messages.

### SEAMLESS CONNECTION

Use Wi-Fi® wireless technology or the cellular connection of your smartphone to send messages. Once you're beyond cell service or Wi-Fi connection, the device seamlessly switches to the satellite network.

### CONTROL REMOTELY

Send and receive text messages or send an interactive SOS message remotely by connecting select compatible Garmin products.

### GPS ACCURACY

The built-in antenna automatically acquires satellites to update your latitude and longitude positions. With the powerful antenna, get global satellite reception in wooded, dense and remote locations.

### GARMIN WEATHER

Get weather reports. You can even request forecasts for your destinations.

### TRACBACK® ROUTING

Use this feature to navigate back to where you started, the same way you came.

### SYNC YOUR CONTACTS

Automatically sync with your Garmin Messenger™ app contacts when paired with your compatible smartphone.

### DIGITAL COMPASS

Gives accurate bearings even while you are standing still.

### BATTERY THAT LASTS

The internal, rechargeable lithium battery gives you up to 350 hours of battery life in 10-minute inReach tracking mode.

### SECURE AND GO

The inReach Mini 3 Plus includes a loop carabiner so you can easily secure your device to your vest or pack. Also sold separately for use with inReach Mini 3.

## COMPATIBLE SUBSCRIPTIONS

### INREACH® PLANS

Activate your inReach plan<sup>1</sup> to stay in touch with friends and family beyond the limits of mobile networks. [Subscription plans](#) enable global two-way messaging via the 100% global Iridium® satellite network. And in an emergency, you can trigger an interactive SOS message with your GPS coordinates to the Garmin Response<sup>SM</sup> 24/7-staffed international response coordination centre.

### OUTDOOR MAPS+

With a paid subscription to [Outdoor Maps+](#), you'll have ongoing access to a wide variety of additional premium mapping across the globe that is regularly updated and delivered directly to your compatible smartphone via Wi-Fi® connectivity; viewable with the Garmin Explore mobile app. Outdoor Maps+ cannot be viewed on your inReach Mini 3's display. Plans are €5.99 per month or €59.99 per year.

## COMPATIBLE APPS

### GARMIN MESSENGER™ APP

Never lose touch with friends and family. The Garmin Messenger app brings rich network messaging features, including group messaging, to any compatible smartphone.

### GARMIN EXPLORE™ APP

Use the Garmin Explore app to plan your trip, see your track on a map, save an activity, and view a course highlight showing how much farther to your destination.

## ANNOUNCEMENT

# EU DATA ACT INFORMATION

## HANDHELD DEVICES

INCLUDING INREACH, MONTANA, AND ALPHA DEVICES AND SYSTEMS

---

This product generates data such as:

- Location data (e.g., GPS coordinates)
- Data relating to environment (e.g., barometric altimeter)
- Device status information (e.g., battery percentage)

### DATA TYPES

For more details concerning the data generated by this device, please refer to the specifications provided on the product page.

### FORMAT

GPX, FIT and JSON

### ESTIMATED VOLUME

Volume of data depends on factors such as frequency of use and settings.

### IS THE PRODUCT CAPABLE OF GENERATING DATA CONTINUOUSLY AND IN REAL-TIME?

Yes, but whether data is actually generated continuously depends on the features used and settings.

### IS THE PRODUCT CAPABLE OF STORING DATA ON THE DEVICE OR ON REMOTE SERVER?

Both, but data is only uploaded to the server if synced.

### RETENTION PERIOD

Data is retained on device until deleted by user or until device runs out of storage space. Data uploaded to account is retained as long as account active or until deleted by user.

### DATA MANAGEMENT AND RELATED TERMS

Visit our [Account Management Center](#) to manage your data. Please review the applicable [Privacy Policy](#) and [Terms of Use](#).
