

# Thuraya XT-Pro

The Thuraya XT-PRO is the first satellite phone with built-in GPS, BeiDou and Glonass capability for highest flexibility in all regions. It has the biggest display on any satellite phone and comes with hardened Gorilla® glass for harsh environments.

The screen is designed for glare resistance which allows for optimal visibility in bright sunlight and it includes a brightness sensor to automatically adjust the backlight of the display.

## Overview

Designed for professional users, Thuraya XT-PRO is the world's most advanced satellite phone which is ruggedized and equipped with long battery life, ensuring connectivity no matter where you go.

With the Thuraya XT-PRO you can make phone calls and send messages in satellite mode and also use a satellite data connection to send and receive emails or browse the web with a connected laptop or PC. For emergencies it has a dedicated SOS button with advanced navigation and tracking features.

Thuraya's comprehensive satellite network provides reliable, clear and uninterrupted communications in more than 160 countries across Europe, Africa, Asia and Australia.

## Features

- Global Navigation Satellite System
- Longest talk-time on any satellite phone
- Glare resistant Gorilla® glass display
- Large 2.4" display
- Dedicated SOS button
- Compact and rugged design
- IP55 rated
- Calls, SMS, fax and Internet connectivity in satellite mode
- Car charger included (cigarette lighter adaptor)
- Supported by the most robust and powerful satellite network

*"The world's most advanced satellite phone"*

## Specifications

---

**Dimensions** 128 mm (L) x 53 mm (W) x 27 mm (D)

**Weight** 212 g with battery

---

**Operating Temperature** -10° C to +55° C

**Storage Temperature** -20° C to +70° C

---

**Humidity** 5 to 95% RH at +40° C

---

**Services** Calls, SMS, SMS to email, fax

---

**Duration** Standby time: up to 100 hours  
Talk time: up to 9 hours

---

**Data Services** GmPRS up to 60/15 kbps (down/up)  
Circuit switched 9.6 kbps

---

**Global Navigation Satellite System (GNSS)** GPS, BeiDou, Glonass

---

**Display** 2.4" toughened Gorilla® glass outdoor display

---

**Ingress Protection** Jet water resistant, dust resistant, shock proof (IP55/IK05)

---

**External Interfaces** Micro USB charger, UDC jack for data transmission, earphone connector (3.5mm), antenna connector for docking units

---

**Durability** IP55 rated

---
