Tariff plan "Value Monthly":

- is billed per calendar month
- if activated after the 1st of the month, this month does not count as the first month of the minimum contract term. The monthly fee is also only calculated on a pro rata basis.
- the month of deactivation is charged in full, regardless of the exact date of deactivation.

Tariff plan "Value Annual":

- Example: If activated on February 5th, 2021, the 12-month minimum contract term ends on February 4th, 2022.
