

M-CRAMER TRACKING

The new Iridium Extreme 9575 provides a built-in GPS receiver. The tracking platform can also be used with many other devices like IsatPhone Pro, Thuraya XT.

ONLINE TRACKING PLATFORM

You'll find our tracking solution on www.m-cramer-tracking.de

FEE + SERVICES IRIDIUM EXTREME 9575

There are two different kinds of tracking accounts: Basic and Pro. We charge a onetime fee of 15 € for creating the account itself.

If you have book the online platform Basic or Pro without SBD the position messages by SMS / email must be sent to a special address (see below: tracking with Iridium 9575). From there, they will then be redirected to the tracking platform. Individually sent SMS / email are charged with additional fees according to your SIM card contract.

Basic	Pro
Online Platform (SMS)	Online Platform (SMS)
11,50 US\$ per calendar month	28,00 US\$ per calendar month per asset

The prices above are including Germany VAT. The prices for Online Tracking Service as well as for SBD Service will be charged for each calendar month, regardless the specific date of activation / deactivation.

TRACKING WITH IRIDIUM EXTREME 9575 VIA SMS

From your phone send the position data to the following address: **+44 2381 6801 12**

Do the following settings on your Extreme phone.

- Menu >> Setup >> Location Options >> GPS Options >> GPS Update Options.>> Real time. The phone will always try to have a recent position. It do not cost any fee but needs some battery power.
- Menu >> Setup >> Location Options >> GPS Options >> GPS On / Off >>Enabled
This starts the GPS module.
- Menu >> Setup >> Location Options >> Message Options >> Quick GPS List:
Apply as a receiver the phone number **+44 2381 6801 12**.
- Make sure the SMS service center number is entered in
Menu >> Messages >> Settings >> Service Center:
This number must be entered: **8816 629 000 05**

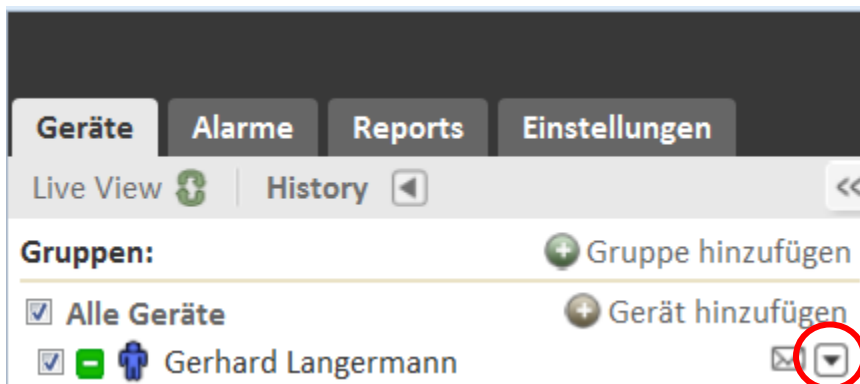

TO SEND MESSAGES

You can send messages from platform to the phone. To do this, click e. g. the device icon in the map. A small window opens in which date, time, device name and location are indicated.

Press the pull down on the top right to open the context menu. Here you'll find the menu item messages.

Alternatively you press the arrow beneath "Add device".

Fax: +49-(0)351-3177 8005
Mobile: +49-(0)177-245 13 18

Messages from the platform are sent via SMS and free of charge. The **incoming message** on the phone is sent by **p@m-cramer-tracking.de**. You can't answer this email message (Reply).

Free text messages from your phone to the recipient +442381680112 from the GPS Quick List or any other email address are sent to the platform too and listed **under Messages / Incoming**.

Messages sent from a standard email account to [8816 your phonenumber@msg.gsattrack.com](mailto:8816_your_phonenumber@msg.gsattrack.com) are transferred to your phone. Transmitted is the message body, not the subject (format of the message received: message text from submit-email address). These messages can be found again on the platform under **Messages / Outgoing**.

Messages sent as **SMS to an email** address using the number 00 * 2 (or + * 2) don't reach the platform but the addressed email account (charged as a standard SMS via SIM card). The submit-address is phonenumber@msg.iridium.com. (format: 8816xxxxxxx@msg.iridium.com)

HOW TO EMBED THE TRACKING PLATFORM IN A OWN WEBSITE

In order to embed the tracking platform a Pro account is mandatory. Here you have the possibility to create an anonymous read-only user with no need of login data. An exactly description of how to embed you can find here:
