IRIDIUM PREPAID SIM-CARD

Can be used with all kind of Iridium devices. Iridium devices can't be used with SIM cards from any other Service Providers.

CHECKING BALANCE

You can check the balance of your Iridium prepaid SIM card by simply dialling 2888, free of charge. A computer voice will inform you about the balance, it's a little bit difficult to understand:

You have nnn minutes left on this card. Your account will expire in nnn days. Good bye

2-STAGE-DIALING

The Two-Stage Dialling Platform (PSTN originated dialling) was developed to allow callers the ability to call an Iridium subscriber. The calling party dials an Arizona USA number 001 4807682500. This connects the caller to Iridium's Two-Stage Dialling platform located in the Tempe, Arizona. Using automated voice prompts, the calling party enters the Iridium subscriber's phone number (8816.....). The system will identify the IRIDIUM subscriber and put the call through to the phone. If the customer is not available, through voice prompts the caller will have the option to leave either a numeric or voice mail message.

The voice prompts on this platform are in the English language only.

The calling party is charged long distance rates from their origination point to Iridium's Two-Stage Dialling Platform in the Tempe Gateway through their own LD carrier. The Iridium Customer is charged according to the fee below.

The Northern Lights Plan can be used with any Iridium satellite phone, but only within Alaska & Canada. It will not work anywhere else. The plan offers 200 minutes for calls from Alaska & Canada to USA and Canada.

There is only one voucher at the tariff plan Northern Lights. By recharging this voucher to an already in this tariff plan activated SIM card 200 minutes will add to the remaining minutes, the expiry period is reset to 6 months from the date of recharging.

Unused minutes remain valid as long as the SIM do not expire. The SIM card is permanently deactivated 270 days after expiry if not recharged. By recharging the SIM within the 270 days grace period the phone number, data number and PIN and PUK codes remain.
